The area along Barefoot Parkway needs many new shrubs and irrigation repairs as well as fixing the drainage channel. Will need to budget the project for 2025.

There are a bunch of these grounding rods throughout the large, manicured area in Waterside Park. Currently getting a bid to add 10" Lock boxes.

We had an irrigation controller issue in Filing 5. A weed grew up threw the conduit and into the clock. The weed grew into the Zone reader and fried the controller. EDI was able to get the controller replaced from Weathermatic for free.

Pump House at the Lakes needs to be repainted. Might be able to have it done this year.

Before

Filing 2 re-seed done by Express Mulch germinated nicely. HPEC mowed and spot treated for Kosha.
